Discipline Policy

New Enrollments

Our goal at Evangel Learning Center is to provide a safe, loving, and teachable atmosphere for the children enrolled at our center. At Evangel Learning Center, we want to make sure that each parent and child receives the best care possible. We have a 2 week discipline trial period. What does this mean? At the end of the first two weeks, we will sit down with you and your child's teacher. We will discuss any behavior problems that your child may be having in the classroom. If we feel that your child needs more one on one care than our center can provide, you will be asked to make other arrangements for their care. This is to ensure that our center is able to provide the best care for all the children enrolled in the classroom. At that time, you will be refunded your registration and any applicable book fees.

Parents may be asked to make other arrangements for children who exhibit the following behaviors/conditions at any time during the year:

1. Aggressiveness toward other children or teachers
2. Biting
3. Improper use of language
4. Any condition or behavior that requires more care than our teacher/child ratios can provide
